TITLE AND APPLICABLITY:

SBV POLICY ON PATIENT CARE - 2018

The policy on Patient Care would henceforth be known as **SBV POLICY ON PATIENT CARE** - **2018**.

PREAMBLE

Sri Balaji Vidyapeeth is a Health Sciences Deemed-to-be-University accredited by NAAC with "A" Grade. The Deemed University is committed to Academics, Research and Patient care. Academics are the starting point in any higher education health sciences institution, whereas Patient care is the point of culmination that is fortified by the throughput, namely evidence based Research. Of these three, Patient care is foremost and acquires special significance. It is manned by a well-defined committee having specific powers and functions.

The Patient Care Committee is regarded as an Interdisciplinary Committee endowed with coordination and implementation of the well drafted Plan for provision of optimal care for both the inpatient and outpatient settings. This committee would serve as the bridge between Quality Management Services (QMS) and the Office of the Medical Superintendent in addressing several cardinal issues related to clinical practice and all facets of patient care that virtually extends beyond the scope of practice for a single professional discipline. The various professional disciplines include medicine, nursing, nutrition, pharmacy and therapeutics, social work, etc.

OBJECTIVES OF THE PATIENT CARE COMMITTEE

- To lay emphasis on providing holistic care to the patients
- To promote patient rights in the in-patient and out-patient settings
- To promulgate shared decision between patients and clinicians
- To promote all activities related to patient-centric outcomes
- To bring down the hospital mortality rate

ROLES AND RESPONSIBILITIES OF THE COMMITTEE

- The Committee recommends the standards of practice for patient care across the various disciplines aimed at the provision of continuum of care.
- The committee would provide oversight to practices related to rational use of drugs, an aesthetics etc., as per the institute rational policies.
- The committee would facilitate providing directions and oversight for enforcing an effective Patient Education process.
- Provision of organizational guidance and support on various facets including training
 of staff in the various disciplines, providing regular updates on service enhancement
 and ensuring comprehensive and competency based clinical care will be a major role
 of the Patient Care Committee.

- The Committee would approve of time and need based changes in the regimen concerning dietetics and nutrition, besides enabling other core clinical procedures, protocols and guidelines with ethically driven practices.
- Developing a rational hospital formulary, drafting of professional policies regarding adverse drug reactions and reviewing hospital mortality are also inherent responsibilities of the committee.
- Recommendation of clinical policies amended from time to time for approval will be yet another cardinal responsibility of the committee.
- Provides direction and oversight for the critical care and emergency care services.
- The Committee would approve of rational criteria for competence in the various patient care settings including Master Health Check-up.
- The Patient Care Committee would collaborate with the Quality Management Services (QMS) in monitoring and improving sustained patient care, which is prerequisites for endeavours related to NABH, mandated sustained patient care services.
- To the extent it may deem necessary or appropriate, retain, or approve the recommendations of the Chief Medical Officer or the In charge of Emergency Medical Services, the Committee would look into all aspects as regards the retention of medical, nursing consultants, besides other support staff/auxiliary personnel from time to time concerning quality of patient care and patient safety.
- Annual reviews and revision of policy based on interim recommendations is an inherent responsibility of the committee that would envisage the Plan for Provision of Patient Care prior to sending the report to the Medical Superintendent of the Hospital, besides sending copies of the reports to the Dean of the Constituent Medical College and Hon'ble Vice-chancellor of Sri Balaji Vidyapeeth.
