ACCREDITED WITH 'A++' GRADE BY NAAC

Indian Academy of
Tropical Parasitology

Shri. M.K. RAJAGOPALAN
Chancellor, SBV

Prof. SUBHASH CHANDRA PARIJA
Vice-Chancellor, SBV

INSPIRE 2022

November 2022 - April 2023 session

**International certificate course by SBV, Puducherry
and Indian Academy of Tropical Parasitology on
"Research to Publication"**

**For Medical, Dental, Nursing and Allied Health Professionals
- Faculty, PhD, Postgraduates and Students**

Two courses in a year

Key features:

- Massive open online course
- Flexible time frame
- Self-learning experience
- Interaction with renowned faculties
- Free course material
- Academic credits transferrable as per UGC norms

Scientific publications are considered as one of the valid performance indicator for health professionals. Several good research works are shelved and do not get published. There is a burgeoning need for skills and knowledge in scientific writing, as many health professionals hesitate to explore this arena largely attributed to inadequate training and exposure.

Course Credits - 3 credits as per UGC Guidelines

- 16 hours Online Theory sessions
- 64 hours Online Practical [Group discussion, Assignments, Self-directed learning, Portfolio, Manuscript Preparation and submission]

SBV Credit points will be awarded to the course

Intended Learning Outcomes:

At the end of the course, the participant would be able to

- Appreciate various components of all scientific communications [original research, review, case report / series, short communications / letter / correspondence / dispatch and book reviews] with appropriateness of content in each component.
- Identify various issues on ethics, copyright and plagiarism and ways to mitigate them.
- Write a scientific communication completely under the guidance offered by the resource person and identify appropriate journal for publication.
- Sensitize on the process of online submission and also to respond to reviewer's comments.

Free Course Material:

- Links to Supporting Research Documents [to all participants]
- Hard Copy of the Book titled, "Writing and Publishing a Research Paper" Prof. S. C. Parija and Prof. Vikram Kate, Published by Springer [For Indian Participants only]

Mode of the course:

- Massive open online course (MOOC)
- Online Lectures, discussion, problem oriented learning and assignments
- Interactive learning – group discussions
- Self-directed learning with provision of free study material
- Modular method of training on related topics of intent
- Online assessment for each module
- Submission of e-portfolio at the end of the course
- Online manuscript submission at the completion of the course

Course Commencement of the session (November 2022 to April 2023):

15th November 2022

Certification – Fulfilment of requirements of the course

- 100% attendance in all the modules
- Submission of assignments and e-portfolio
- Participation in all the online discussions and problem oriented learning
- Manuscript preparation and submission
- Reflection and feedback
- To complete within six months from the date of course commencement

Speakers and Resource persons

- Renowned Vice Chancellors of Universities across India
- Experts from the Indian Academy of Tropical Parasitology (IATP)
- Experts from Sri Balaji Vidyapeeth (SBV, Puducherry)
- Experts from Other Universities and Institutions.
- International Speakers

Duration of the course:

Course can be completed within a period of six months from the date of course commencement.

If not completed, the participant needs to re-register for the next course and fulfil the eligibility criteria to receive the completion certificate.

Number of courses in a year: 2 courses - in November and May

Registration fees: 5900 INR / 150 \$

We offer 50% waiver for **PhD students**, (2950 INR) who have to attach bonafide certificate from their guide as pdf document in the registration link, to avail the waiver.
