About DentCare, Muvattupuzha, India

Started in 1998, this lab with its quality approach to dental laboratory work in terms of appliances and prosthesis. DentCare is an ISO 14001:2015, ISO 9001:2015, ISO/IEC 27001:2013 and BS OHSAS 18001:2007 certified company in recognition of its quality management processes. DentCare is also registered with US FDA with registration number 3011195066. It is noteworthy that DentCare is the only Indian dental lab with CE marking (Conformité Européenne). It is one of the very few laboratories in India which provides ample digital solutions for various clinical scenarios.
